Revised 2024

Star Clippers

Amenity Program

ENSEMBLE® AMENITIES

$150 Onboard Credit per double stateroom ($75 for solo travelers), valid for all ships and published sailing dates; all categories apply.

RATE INFORMATION

Eligible bookings will be identified by agency affiliation, no booking code is required.

Please identify yourself as an Ensemble® Member.

Combinable with most published FIT promotions, unless there is another onboard credit included in a promotion that is larger. As an example: if a promotion has a $200 per cabin onboard credit, you cannot "add" this $150 onboard credit, but instead the larger amount would prevail. However, for promotions with free gratuities, air credits, upgrades, etc., the $150 Ensemble Amenity onboard credit would apply.

Ensemble Shipboard Credit Amenity is not applicable to groups unless it is selected as a group amenity from the amenities menu and approved based on ship, sailing date, and availability.

Please verify rate code combinability with Star Clippers.

TOUR CONDUCTOR INFORMATION

A tour conductor cannot be earned with FIT bookings.

Group tour conductor earned is per Star Clippers standard policy for applicable ship and date.

NOTE: AGENCY LOYALTY SELL'ABRATION PROGRAM
